Team Information

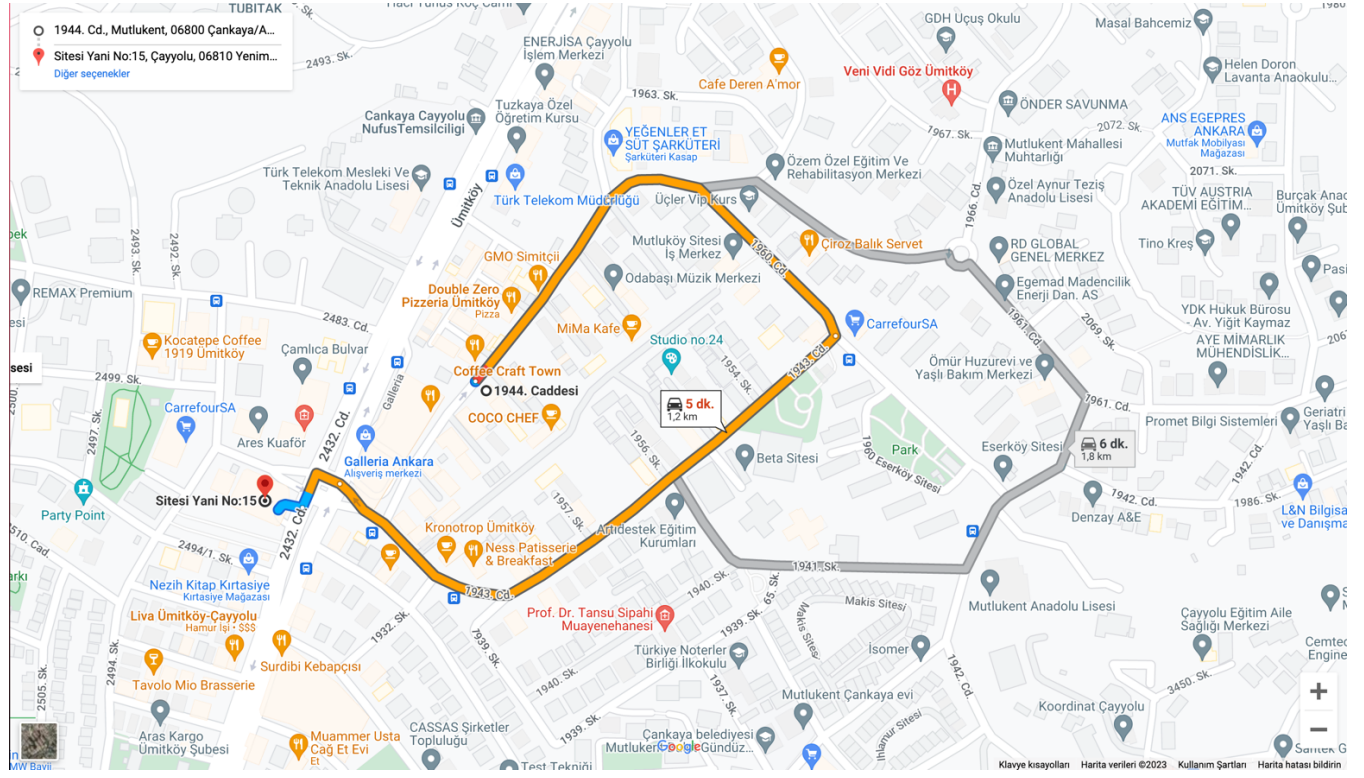

- About us

Features

- Nearest Gas Station

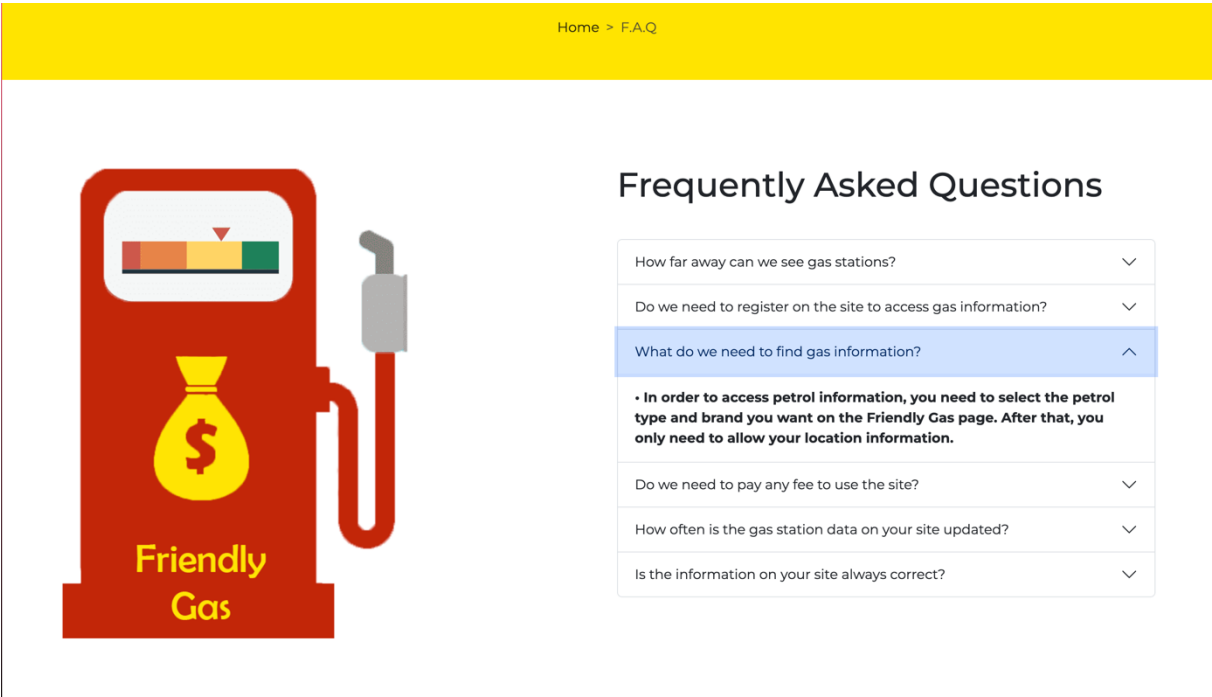

It is the page that appears when the user clicks on the nearest gas page from the homepage.

The user can see the gas stations and their prices from the boxes on the map, according to their location. The current location of the user is indicated on the map as a yellow circle. Gas stations around it appear as a red circle.

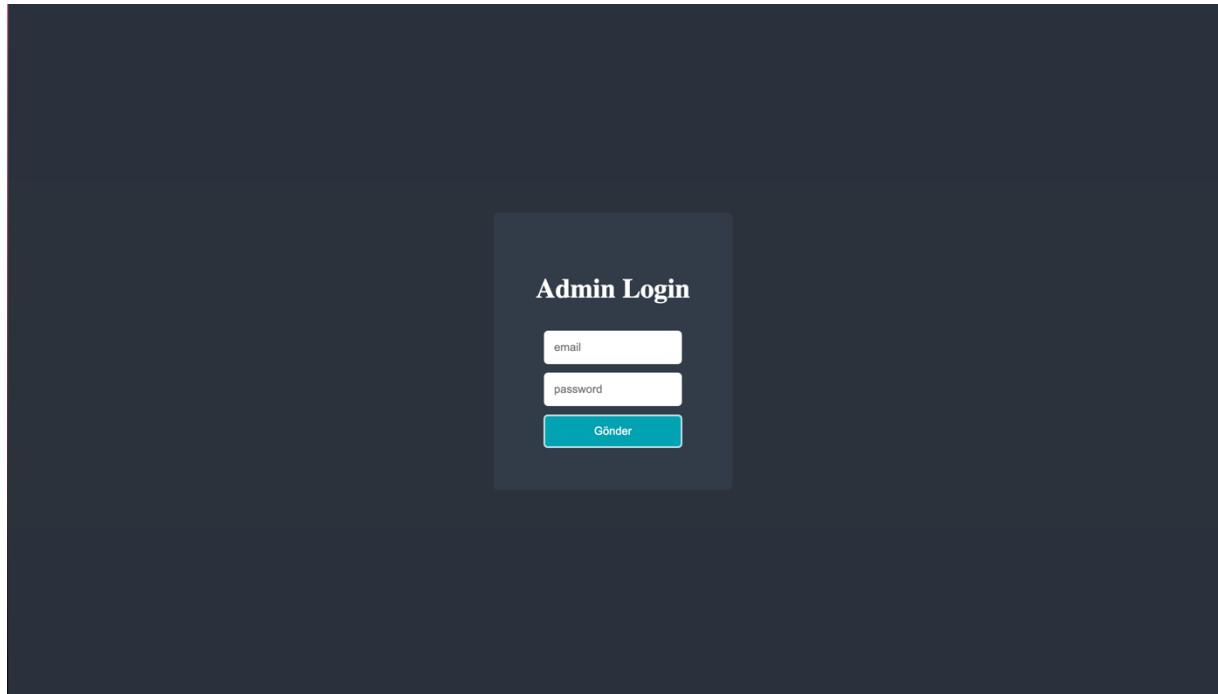

When the user clicks on the box of the gas station he/she wants to go to, he/she shows the route on the map as in the picture above.

FAQ PAGE

It is the page where the questions that users generally ask are displayed. Users can click on the questions and see the answers to the questions.

ADMIN PAGE

A screenshot of an 'Admin Login' form. The form is centered on a dark blue background. It consists of a title 'Admin Login', two input fields labeled 'email' and 'password', and a teal button labeled 'Gönder'.

It is the page where the admin logs in to update the questions and answers on the FAQ page.
